

19/10/2023

Dear Year 12 Parents

Please ask your son to check out the attached brochure for the Investin Career Experiences. Whilst there is a cost to the majority of these experiences, there are some bursary places available on a first come, first served basis. We deeply value the importance of Careers education in your sons' development and I highly recommend that they take an interest in the opportunities we promote.

Partner School Benefits: Bursaries and Discount Code

- As a Partner School of Investin we are entitled to 5 bursary places a term for Live Online one day masterclasses. They are available on a first come first served basis and can be upgraded to In Person places.
- Bursary applications opened on 9th October and full information can be found on the [application form here](#).
- All students can benefit from a 10 % discount by use of the code **RGSHW10**.

Sharing Resources

- From November Investin will be running one-day weekend programmes, spanning 15 different careers and available both online and in-person. The information is attached and available [via this link](#).

InvestIN Education

W: www.investin.org

The team at InvestIN are delighted to share with you their latest complimentary careers resource, [A Week in the Workplace!](#) Here you will find five video career lessons with interactive quizzes, questions for reflection, and some top tips from industry experts to support students in their career choices.

INVESTIN

OUR IMPACT

Headlines from our 2023 Alumni Survey Report

80%

of respondents said that our programmes helped them decide what career to pursue

78% of respondents referenced InvestIN in their university application

3/4 of respondents that referenced InvestIN received a place at their first choice university

2/3

of respondents said our programmes gave them the knowledge and skills they needed to succeed in their chosen career

The programme helped me better understand the concepts behind Computer Science, which has in turn helped me in my studies at Cambridge University and by extension my entire career journey.

Former attendee of the Young Computer Scientist Programme

InvestIN gave me a competitive advantage over other applicants when applying to university, leading to 5 successful offers.

Former attendee of the Young Psychologist Programme

Some students highlighted just how valuable InvestIN has been in their career journey...

The programme helped me understand the pathways and the route I wanted to take into banking. I now work at JP Morgan on their apprentice programme.

Former attendee of the Young Investment Banker Programme

Our findings are taken from the responses of 527 alumni students, who participated in InvestIN programmes from 2019 to 2023.
