## **Marlow Half Marathon**

Several colleagues and I are running the Marlow Half this Sunday.

The majority of us are very much social runners and have trained hard in preparation for the event. We will be raising money for Cancer research this year as it is an issue close to my heart.

If you would be willing to donate anything, no matter how small, the link is below.

I am eternally grateful for your support. <https://gofund.me/fd1bc3fe>

Kind regards

Head of Y12, Assistant Director of Music
