

RGS High Wycombe Friends of Rowing Christmas Auction

We are delighted to launch our online Christmas Auction, which is open for bidding from **today, Monday 2 December until 9pm on Saturday 14 December.**

We have lots of fantastic items on offer, with something to suit everyone! Fancy a day out? – how about a private pavilion at Henley Royal Regatta, or a vineyard tour? Maybe you'd prefer dinner for two, afternoon tea, or a visit to a new local restaurant? Pilates classes or language lessons? If you're looking for something fun for the kids, how about go-karting, paintballing, an escape room, or a coding party? And we have a whole range of gifts, vouchers and treats to help you with your Christmas shopping, from wine, beer and beauty gifts to a Google Nest hub!

All proceeds will go directly to help fund rowing at RGS. Rowing is an amazing extra-curricular activity offered at RGS, which boys have the opportunity to experience from Year 8 and above, but it depends on essential funds raised by Friends of Rowing to pay for and maintain boats, blades and equipment which all contribute to the success that RGS is having in this sport.

Anyone can bid on any items, so whether you're looking to buy Christmas presents, treat yourself or have a fun day out, please do have a look at what's on offer and get bidding. Feel free to circulate this to family and friends outside the RGS community and help us raise as much as we can to keep our boys on the water!

You can find the online auction by clicking here: [RGS Rowing Christmas Auction](#)
