Dear Parents/ Carers

### **Morrisby Online Profiling at home**

One of the toughest challenges that students face is knowing which pathways they would find fulfilling and what potential they have. As part of their progression post-16 or post-18, we are coordinating the Morrisby Online Profiling facility for students in Years 10, 11, 12 and 13.

Morrisby Online is a Psychometric Testing & Guidance tool that helps students identify potential progression paths and make informed decisions about their study options. Participating students will take an online assessment (in the form of a battery of tests) **at home in their own time**. These tests measure a variety of elements including career interests, work attitudes, talents and motivations. Once the assessment is complete, students will have access to personally tailored career and education suggestions, plus a wealth of careers-related resources. The cost of this **optional** service and subscription to the service is £30 per student (paid directly to Morrisby). Students will have access for life with the ability to revise the profile and seek support over time.

Once participating students have completed their assessment, we encourage them to make an appointment to come and discuss the results with the Careers Department at school. Whilst the report and data belong to the student, it is important that all students understand that relevant members of school staff will also have access to the results. This is so that the full range of support can be offered and maximum value to the student can be derived from the process.

#### How to sign up for the test

Please click on [this](#) link which will be valid for use until **Monday 5th May 2025**. Please make sure your son's school email address is used.

Upon payment, an email will be sent to the purchaser giving them a username and password for their child which can be used immediately. Once they have these details the student will need to go to [www.morrisby.com](http://www.morrisby.com) and 'Log in' in the top right-hand corner of the screen using their username and password to get access to the initial screen they need to complete prior to taking the assessments. From here they will be guided through the process. The Morrisby Profile does not need to be taken at any particular time and does not need to be completed in one session. Please find more information about the Morrisby Profile and how to complete the assessment at home in the attachment accompanying this letter.

If your child is in receipt of a Pupil Premium Grant and you would like them to take part, please send Ms Morley-Smith an email ([fzm@rgshw.com](mailto:fzm@rgshw.com)) and this can be arranged.

If you have any further questions please do not hesitate to contact us or for technical issues [support@morrisby.com](mailto:support@morrisby.com).

Kind regards

Mrs Sweta Thakrar (Careers Lead)
