

07/10/24

Dear Parents/Carers,

I am writing to inform you of an exciting opportunity for our Year 10 students to attend the **Bucks Skills Show 2024**, taking place in early March, 2025 at Mandeville Stadium. The Bucks Skills Show is the largest careers event in the county, providing students with exposure to a wide range of sectors, from technology and engineering to healthcare, finance, and the creative industries. This experience will help them gain practical insights that could be invaluable as they begin to consider their A-Level subject choices next year.

Students will have the chance to:

- Participate in interactive workshops
- Meet professionals from various industries
- Learn about apprenticeships, university courses, and other post-16 pathways

We believe this trip will help broaden students' horizons and assist them in making more informed decisions regarding their future studies and career paths. More information about this show (from last year) can be found [here](#).

At this stage, we are gauging interest to determine numbers. There will be a cost of approximately £19 to cover the coach fare for transportation to and from the event. The trip will take place during school hours, with students departing from and returning to school by coach. Students should bring a packed lunch for the day. The final cost will depend on the numbers of students attending.

If you are interested in your child participating, please complete this [Expression of Interest](#) form and return it by **14th October 2024**. Final details and payment information will follow once we confirm numbers and the exact date.

Should you have any questions, please do not hesitate to contact us.

Yours sincerely,

Mrs Thakrar Ms Morley-Smith
