Dear Parent/Carer

Special Educational Needs and Disabilities (SEND) & Ed:Gen Parent Portal

We are excited to announce that we now have a new way for you to raise any Special Educational Needs and Disabilities (SEND) concerns about your child or contact the SEN department directly. You can now do this through the Ed:Gen Parent Portal.

The Ed:Gen Parent Portal is a secure online platform that allows you to access your child's information, communicate with their teachers, and track their progress. You can now also use the portal to:

- Submit a SEND concern [form](#)
- [Email](#) the SENCo and SEN Manger

We believe that the Ed:Gen Parent Portal will make it easier for you to communicate with us about your child's needs. We encourage you to create an account and start using the portal today.

If you have any questions about the Ed:Gen Parent Portal, please do not hesitate to contact the School Office.

We look forward to hearing from you soon.

Yours sincerely,

Mrs J M Watson
