

24 October 2024

Dear Parents / Carers

Year 11 Online Parents' Meeting – Wednesday, 27 November

The Year 11 Online Parents' Meeting will take place on Wednesday, 27 November when you will have the opportunity to speak with up to 6 teachers. Students are expected to be on the calls with parent(s) for these appointments and teachers will use video when possible.

We use an online booking system which you can access using the following link <https://rgshw.schoolcloud.co.uk/> - the system will be available for you to book appointments from **7.00pm on Thursday, 7 November – please note it will not be open for bookings before this date and time.**

The booking system will close at **11.55pm on Friday, 22 November.** You will not be able to make any appointments after this date and time.

The parent making the bookings can invite another parent to join the meetings if they are in another location. The following link will take you to a User Guide: [Video: Parents - invite another parent/guardian to join your appointments](#)

On Wednesday, 27 November, one hour before your first appointment, you will receive a reminder email with a link to the online system. Your minimum requirement is **a device with a microphone and speaker**, and we recommend using a **smartphone, tablet, laptop or computer.** You do not need to download an App. Please check your microphone volume level is set medium/high.

As you may not have used the online meeting facility before, three User Guides are linked below and we strongly recommend reading in full *prior* to the Form Tutor Meeting. For example, appointments run to time, so if you are late joining the call it will still automatically cut off at the appointment end.
