

15 November 2024

Dear Parent/Carer

We hope your son is excited about undertaking his DofE Award.

In order to support students and families, The Duke of Edinburgh's Award Scheme are offering parent/carers info sessions for you to join, to help you support your son throughout the programme.

These sessions are designed to help you understand what the DofE Award is, what is involved and how you can support your child with their DofE journey and are useful to help adults understand the requirements of each section. These sessions are run directly by DofE, not by RGS.

You do not need to book for these sessions and can drop in to as many as you like. The dates are below:

- Wednesday 20th November 5.30pm
- Wednesday 4th December 5pm
- Tuesday 17th December 6pm

More information and the Microsoft Teams link to the sessions, can be found if you click on this link - [flyer](#).

We hope this gives you all the information you need.

Yours sincerely

D Clatworthy
Director of Co-Curricular Education
