Dear Parents/Guardians

### Parental Music Survey

The RGS is extremely proud of its long-standing musical traditions and the extensive co-curricular programme run by the Music Department which enables an impressive array of musical performances throughout the academic year, including showcase concerts, annual Carol Service, various choral performances, House Music Competition, 'Jazz in the Quad' and a large-scale annual Musical Production.

The Music Department is keen to create a register of 'musical' parents who could be called on to perform in ensembles if and when necessary, provide music talks or workshops to A Level students, judge music competitions, become involved with the Stage Management, Lighting and Sound Team (SMLS) and/or Musical productions.

If you are interested in volunteering your skills in any of the above to the Music Department, please complete the following form:- [Parental Music Survey - May 2024](#)

Yours faithfully

**Mrs Natasha Jashari**  
Director of Music
