Dear Parents/Carers

Year 9 Academic Development Evening for Parents

We're always looking for ways to support our students and wonderful parent community. As you know we work with **Action Your Potential** to support our students' mental health, learning progress and mind management. Our aim is to support every member of our community to become a #NeuroNinja in order to find out all about their amazing brain and enjoy and engage with life to the full.

On **Friday 15 November** Andrew and Darren from Action Your Potential are running workshops for all our Y9 focused on helping students make good decisions. At AYP we use neuroscience to help people understand their amazing brains and we will be looking with your children at how our brain makes decisions and how to create the best conditions to make the most effective decisions.

Ahead of the workshops for students we're excited to announce the Academic Development Evening webinar for Y9 parents on **Thursday 14 November at 19:00**. To sign up to this online event for parents and carers please [complete this form](#). Nearer the time, you will be sent the Google Meet link. As a member of our school community you already have access to the #NeuroNinja Learning Hub. You can sign up [here](#) if you haven't already done so.

If you have any questions about the #NeuroNinja programme please email Andrew Wright - andrewwright@aypuk.com

Yours sincerely,

Sabrina Lawson
