We're excited to announce that we will be sending out Google Classroom Guardian invitations tomorrow. Once accepted, the guardian emails provide valuable insights into your child's classroom activities, including assigned homework and important announcements.

#### What are Guardian emails?

Guardian emails offer a convenient way to stay connected to your child's learning. You can choose to receive these updates daily or weekly.

#### How to Sign Up:

- Check Your Email: Look for an invitation email from Google Classroom Guardian.
- Choose Your Preference:
  - Daily Updates: Requires a Google account.
  - Weekly Updates: No Google account needed.
  - Accept the Invitation: Follow the instructions in the email to accept.

#### Important Note:

If you're using a shared device or multiple Google accounts, please ensure you're logged into the correct account before accepting the invitation. To avoid any confusion, we recommend using a private browsing window to sign in to your desired account.
