

Dear Parent / Carer

Years 8 & 9 SCOTLAND EXPEDITION – KNOYDART PENINSULA - PLACES STILL AVAILABLE

After initial sign-up to our Knoydart expedition we still have some spaces available. Therefore, we are happy to offer the opportunity for anybody interested who missed out on the initial sign up to secure a place for their son on this summer's expedition

The trip has been priced as **£975** per student and in order to secure a spot we will require a **30% deposit of £292.50** in order to secure a spot on the expedition available for payment right now on parent pay. Following this, the remaining balance will be paid off in monthly instalments. If there are any concerns or issues related to the cost of the expedition please don't hesitate to contact me and I can look into whether there may be any support available.

The expedition will run between the **15/6/25 and the 21/6/25**.

If we receive more sign up for these spots than we have places available a random allocation process will be used in order to ensure equity for all students.

Please find attached a link to the information [booklet](#) and [video](#) for the expedition from the living project which can provide more information on the unique experience camping in the UK's last remaining wilderness.

I will be happy to answer any questions you may have by email (address below).

Yours sincerely,

Mr C. Mulholland
