Dear Parents and Carers,

Year 10 Online Parents' Meeting – Thursday 24 April

The Year 10 Online Parents' Meeting will take place on Thursday 24 April. Students are expected to join the video calls wherever possible.

We use an online booking system for Parents' Meetings which you can access using the following link: [School Cloud](#). You will be able to book appointments from **7.00pm on Thursday 27 March – please note it will not be open before this date and time**. The booking system will close at **11.55pm on Thursday 17 April**. You will not be able to make any appointments after this date and time. *Please be aware, only one of the subject teachers may be available for some subjects.*

On Thursday 24 April, one hour before your first appointment, you will receive a reminder email with a link to the online system. Your minimum requirement is **a device with a microphone and speaker**, and we recommend using a **smartphone, tablet, laptop or computer**. You do not need to download an app. Please check your microphone volume level is set medium/high.

As you may not have used the online meeting facility before, three User Guides are linked below and we strongly recommend reading in full *prior* to the Parents' Meetings. For example, appointments run to time, so if you are late joining the call it will still automatically cut off at the appointment end.
