

October 2024

Dear Parents and Carers,

### **New York Trip- Expression of Interest**

The RGS Art, RS and Psychology Departments are delighted to inform you of our upcoming trip to New York in October 2025. The trip already has a few confirmed places but we are looking to open the opportunity to more prospective students, including students currently in Year 8 to Year 12 (Year 9 to Year 13 in 2025). The trip may be of particular interest to Art, RS and Psychology students as we will be exploring the development of the Civil Rights Movements and the background of prejudice upon which it arose, the impact of media on human psyche, behaviour and attitudes, and creative influence. However, it is not exclusive to these students, as it is also a remarkable opportunity to experience the culture of two cosmopolitan and vibrant cities. Some of the highlights of the trip include.

- Visit to 9/11 Memorial
- Harlem Civil Rights Guided Walking Tour and meeting with a Veteran of the Civil Rights Movement
- Visit to the Museum of Modern Art
- Broadway Theatre Performance (show TBA)
- Ferry to Liberty and Ellis Island

The current provisional cost of the trip will be approximately £2200 which may decrease depending on the demand.

For those who have not signed up for the trip as of yet, please can you scan the QR code and fill in the Microsoft form as an expression of interest. From here, we will send you the letter with the full breakdown of what the activities include.

Thank you for your continued support.

Yours sincerely,

Ms Francis

Mr Webb

Mrs Watson

Subject Leader: Art

Subject Leader: RS

Subject Leader: Psychology
