Dear Parents / Carers & Year 13 Students

Year 13 Portrait Photograph – Wednesday 18th September 2024

As you may be aware, we do not normally arrange portrait photographs this term for Year 13. Instead of a portrait photograph, we organise a Year Group photograph in the Spring Term on the staging outside in the Quad.

However, a number of Year 13 have asked me if it would be possible to have a portrait photograph taken. As we have photographers in on Wednesday 18th September to take other Year Group Portraits, I have arranged for those Year 13 students who want their photograph taken to have the opportunity. One of the options from Gillman & Soames includes passport sized photos which are useful for University and Bus Pass ID badges.

Please come to the Queen's Hall in the slots for your Form with the Year 12s if you would like to your photo taken.

Yours sincerely
