Dear Parents

LOST PROPERTY AT RGS

As the term comes to an end, I just wanted to let you know that once again Mrs Baker, our Queen of Lost Property, has been busy this term reuniting students with their lost items. This job is massive but made easier **when said lost items are named**. You would not believe the amount of “stuff” that comes through our doors.

As soon as items are brought to Resources, Mrs Baker sorts them into named and un-named, returning named items via Form Tutors or directly to students, depending on the size of the item. However, we are dependent on the school community bringing lost items to us. Mrs Patten, Sports Administrator, does a sweep of the changing rooms every morning and tubs of lost property are brought to us three times a week.

If a student comes in and we don't have his lost item, we write his item in our book so if an unnamed item of that description comes in, we can reunite them.

As you can see we do all we can this end. All I ask is that all items that come into school are named, to make this process quicker and easier. And please encourage your son to come and check with us if he has lost an item. Thank you for your co-operation.

You may also be interested to learn that our second-hand uniform shop, which has been run by parent volunteer Reyes Nuno for nearly two years, now has 609 followers, an increase of 137 since this time last year. If you are after any second-hand uniform, check out our [Facebook page](#). Thank you for supporting us and a HUGE thank you to Reyes for giving up so much of her time to support us.

Donations are very welcome in Resources, so if you are having a clear out at Christmas, please pop any donations into Resources in the New Year – thank you in advance. 100% of all monies raised go straight back to school.

Wishing you and your families a peaceful holiday season.

Kind regards,

Tanya Warner
Resources Centre Manager
