<b>Computer Science Symposium</b>	Zaahir Ali	Mr Travi	Mondays lunch	G4	We will be exploring – through talks and discussions – various advanced algorithmic concepts along with the maths that is important to CS, such as Graph Theory. Later in the year, there will also be chances to participate in group competitions and events. Any Year 11 – 13 students who are interested should come along to Room G4 on Mondays at 1.20pm.	Boys at GCSE and A level	
<b>South Asian Society</b>	Prathik Rajesh Kannan, Kaiser Chaudhary, Farhan Mohammed, Ayaan Rahman, Aayan Hussain	Mr David	Mondays lunch	16	To develop pride and camaraderie between our south Asian pupils and talk about the various cultures that come under the south Asian umbrella.	Mainly our south Asian pupils but all who are interested are more than welcome to come.	
<b>Engineering</b>	Oliver Persaud, Torr Ramsden, Adam Boodhun	Mr Harris	Mondays lunch	G2	To inspire the next generation of engineers at the RGS.	Years 7-9 but all years will be welcome.	
<b>Model UN</b>	Kaiser Chaudhary; Muhammad Hasan Gulfaraz	Miss Smith	Tuesdays lunch	QH	This society gives the students a chance to gain or improve skills such as negotiable skills, team working, public speaking and intra-personal skills. Students are also able to learn more about current global affairs as well as study more about the politics of any country they are interested in representing, and what their foreign policies are like.	Geopolitical enthusiasts, Years 10 and above	
<b>Spanish Club</b>	Thomas Waterton, George Vizi	Mrs Langan	Wednesday lunch	L2	Teach students about the vast Spanish culture, as well as improving the students' Spanish.	All years welcome, mainly 7-9	

<b>German</b>	Dani Santner	Ms Sheppard	Tuesdays lunch	L6	Promote interest in German as a language and culture, hopefully inspiring students to continue it through school, as well as have an enjoyable lunchtime activity.	Y7-Y9	
<b>Business</b>	Imran Moosun; Abdullah Ashraf	Mr Newton	Tuesdays lunch	Chapel 2	An interactive society, connecting with other business minded schools, activities and workshops/competitions.	Younger years, Non-Business GCSE, and older years- All welcome.	
<b>SikhSoc</b>	Jaap Dhillon	Mr Durning	Tuesday lunch	Room 8	To discuss the culture and history of Sikhism. Cover topics such as Duleep Singh and his daughter; debates about Khalistan and other political issues in Punjab.	Anyone who wants to know more about Sikhism.	
<b>Biology</b>	William Betts, George Marchant	Mr Rowe- Elliot	Wednesday s lunch	B4	To hear from different speakers in school about Biology; To help with a potential future in Medicine, Veterinary and Dentistry. To talk through all things Biology, including advice on books	All years welcome.	
<b>Caucasian</b>	Ishaan Barthakur	Mr Harris	Wednesday s lunch	P3	A Caucasian Society, in the context of promoting inclusivity, could aim to foster understanding and appreciation for the diverse cultures, histories, and experiences within the Caucasian community. By providing a space for individuals of Caucasian descent and those interested in Caucasian cultures, the society seeks to cultivate dialogue, break down stereotypes, and encourage connections among its members. This organization might focus on celebrating cultural heritage, exploring shared traditions, and fostering an environment where everyone feels valued and included. Through events, educational initiatives, and community engagement, the Caucasian Society could contribute to a broader societal commitment to diversity, equity, and unity, promoting a sense of belonging for individuals within and beyond the Caucasian community.	Everyone who wishes to be involved.	
<b>Robotics and Programming Club</b>	Toby Davis- Varnell, Hamzah Tariq	Mr Travi	Wednesday s lunch	G4	This club will offer students the opportunity to work as part of a small team to design, build and program a robot to compete in a series of events held throughout the year.	Aimed at years 7 - 10 all welcome	

<b>Corporate Journal</b>	Macadam Jarvis; Vedanth Murikinati	TBC	Wednesday s lunch every 2 weeks	28	To give a space for students to explore and share their findings on subjects and topics outside of the curriculum.	All years welcome.	
<b>STEM</b>	Ishaan Barthakur; Cameron Cole	Mr Harris	Friday lunchtimes	P3	To provide a platform for students to present STEM related talks.	Year 11-13	
<b>Economics</b>	Sixth Form Committee	Mrs Carr	Monday lunchtimes	Chapel 1	To create interesting discussion on Economics topics and keep abreast of current affairs. Also, to encourage a passion for Economics in the wider audience at the school, increasing its visibility as a subject.	Open to all year groups	
<b>Economics Magazine</b>	Sixth Form Committee	Mrs Carr	Friday lunchtime	Chapel 1	An amazing opportunity to write news articles on the UK and Global economies and be part of a locally published magazine.	All Year 12 and 13 students
